

# Use Listenwise

You can log in through Clever or you can visit <https://listenwise.com/> and log in using your Google Account.

Read the transcript as you listen to the information. Following along helps you stay focused and understand what the article is about.

There will most likely be some questions about the article, so make sure you answer those using complete sentences.

You can also access any external materials I have made available for you. These can be pictures or videos to help you understand the topic.

Lastly, there will be some very useful vocabulary listed below to help you understand any unfamiliar words. These words you may have already seen or heard during class or another assignment.
